

Pastor's Message

In the Book of Revelation, we find a message that is both timeless and profoundly relevant to our lives today. Revelation 1:4-6 opens with a greeting from John to the seven churches in Asia Minor, but it quickly becomes a message of hope, blessing, and a reminder of God's eternal love and purpose for his people.

Let's delve into these verses to discover the treasures they hold for us:

"Grace and peace to you from him who is, and who was, and who is to come, and from the seven spirits before his throne..." Revelation 1:4 (NIV)

Here, John extends a heartfelt greeting of "grace and peace" to the seven churches. It's a reminder that God's grace and peace are available to us, no matter the challenges we face. While we may see change all around us: the seasonal colors of fall, the young children who just don't seem to be so little anymore, the health that doesn't seem as reliable as before, the mention of God as the One "who is, and who was, and who is to come" assures us of his eternal presence, constant and unchanging.

"...and from Jesus Christ, who is the faithful witness, the firstborn from the dead, and the ruler of the kings of the earth. To him who loves us and has freed us from our sins by his blood..." Revelation 1:5 (NIV)

In this verse, we find a beautiful description of Jesus Christ. He is the "faithful witness," utterly reliable, faithful to his Father in heaven and to his people, even to the point of giving his life. He is the "firstborn from the dead," reminding us of the hope of resurrection and eternal life. He is also the "ruler of the kings of the earth," illustrating his sovereign authority over all creation. Most importantly, we are reminded of his deep love for us and the freedom from sin that his sacrifice on the cross has brought us.

"...and has made us to be a kingdom and priests to serve his God and Father—to him be glory and power for ever and ever! Amen." Revelation 1:6 (NIV)

In this final verse, we are called to reflect on our identity and purpose as believers. We are not merely individuals; we are a "kingdom" united under Christ's rule. We are "priests" entrusted with the sacred duty of drawing closer to God and helping others do the same. This is our high calling—to serve and glorify our Heavenly Father, offering praise and honor to him for all eternity.

As we contemplate Revelation 1:4-6, let us remember that these verses are not just words on a page; they are a source of inspiration, encouragement, and hope. They remind us of God's unchanging love, Christ's redemptive work, and our noble calling as his people. Let's live out this message daily, sharing his grace, peace, and love with the world.

May his grace and peace be with you all.

Treasurer's Report

Financial Results to Revenue

Offerings for the month of September (4 Sundays) totaled \$68,500 (averaging \$17,100 per week) up from August (4 Sundays), totalled \$64,300 (averaging \$16,100 per week and compared to last year September-2022 (4 Sundays) totalled \$57,100.

\$54,800 in tuition was received in September. 51% of the budgeted K-8 tuition and 50% of the 3K/4K tuition was received in the month. A quarterly School Choice payment of \$74,400 was received this month.

Special donations received in September were:

- We received an additional \$155,000 for Growing Forward.
- \$430 for Faith for the Future.

Expenses

Church Expenses are under budget as medical expenses and music/worship supplies are running under budget.

School expenses for medical insurance are also under budget. In order to assure continuation of coverage for the Marohn family, we kept them on our insurance for July & August. In September, we were reimbursed by Cornerstone Lutheran. We are seeing higher expenses for textbooks and supplies with the startup of school. These expenses should come in line by the middle of the school year. Moving expenses totaling \$3,831 were paid this month.

Property / shared expenses: property & Casualty insurance is running below budget. With the school expansion we budgeted higher costs but received an adjustment less than planned. We are also seeing lower utility costs so far.

Missions: Monthly payments to WELS and MLHS were made to budgeted amounts.

The Net Results of the operating (Budgeted) funds is a (\$3,440) loss, compared to a planned (\$8,219) loss.

Building Expansion:

Some added payments for landscaping totaling \$9,600 were paid in Sept. A final construction bill of \$255,820 will be paid when all issues are settled. Construction borrowing remains at \$2,814,666. With the higher loan balance, interest paid for September was \$10,776.

At the end of August, outstanding pledges for Growing Forward stand at \$280,700.

Trustee's Report

We have decided to ask for a substitute custodian to help clean if an emergency arises with any of the current custodians.

It has been decided to try having a physical key to open the locked janitors closets. This key will be located somewhere in the teachers workroom. It will have some sort of object connected to it so that someone cannot stick it in their pocket.

It was discussed that with the increase in workload the Trustees now have with the new building, we will be looking to possibly add one extra board member or two.

Some of the members from the Trustee's took part in the new building training of fire suppression and HVAC. In regard to the new fire pump, we will be getting step by step procedures on how to turn off the pump if there is an accidental activation with no emergency present. For example, someone or something breaks off a sprinkler head.

Evangelism Report

Church Photo Directory -

The final photo session for the directory was completed in September.

Approximately 245 members had their photos taken during the photo sessions.

Members were surveyed as to whether they would like a printed copy or only a digital copy.

Approximately 160 members have requested a printed copy of the church photo directory.

Printing by an outside vendor will begin in 1-2 weeks. We hope to have printed photo directories available in late October...

All members will have access to a digital copy of the church photo directory.

Activities Report

Nothing to Report at this time.

Officer's Report

In a recent emergency council meeting the wages for the aides and janitors was increased. We felt it appropriate to review the secretary's compensation in light of these other changes. A recommended increase was agreed upon with an effective date of the beginning of October. Will take it to council for approval.

A member made a request to use the facility for a meeting of a non profit group they belong to. Partial approval was given to the request. A \$150 facility use fee was going to be charged.

Decision was brought to the member but they had made other arrangements by that time.

This brought to light that we need some facility use request guidelines. Officers will continue to work on this.

Now that our Building Project is near completion, we discussed our future ministry vision. We are looking to have the Long Range Planning Committee create a process to develop a 3 to 5 year plan. Targeting January to unveil this process and start this work.

Since starting this initiative, more than 1,500 members have contributed more than \$1.7 million to help launch new home missions. Thanks be to God! Thank you to all those who have contributed toward this effort of boldly taking the gospel to people in new locations throughout the country.

FAITH FOR THE FUTURE

WHAT IS IT AND HOW DOES IT WORK?

THE FAITH FOR THE FUTURE FUND WAS ESTABLISHED SO THAT ST. PAUL'S MEMBERS COULD PROVIDE MONETARY SUPPORT TO ASSIST OUR STUDENTS TO ATTEND WELS HIGH SCHOOLS, MARTIN LUTHER COLLEGE, OR WISCONSIN LUTHERAN SEMINARY. WE WANT TO ENCOURAGE AND SUPPORT THOSE INTERESTED IN CHRISTIAN EDUCATION AND POSSIBLE FUTURE WORK IN THE PUBLIC MINISTRY!

THE PROCESS:

COMPLETED ANNUALLY

The President with the Church Officers [Treasurer, Financial Secretary, Recording Secretary, and advisory pastor] oversee the fund. They communicate with the parents as necessary and keep track of the students at the schools.

DISTRIBUTION OF FUNDS

At the HIGH SCHOOL LEVEL each student received \$600. This year we have students at Manitowoc Lutheran High School, Winnebago Lutheran Academy, and Luther Prep School.

Students enrolled at MARTIN LUTHER COLLEGE OR WISCONSIN LUTHERAN SEMINARY receive a double portion. This year the amount was \$1200. We are also able to send this amount directly to Martin Luther College for them to match it. MLC has a grant program in place to match congregational gifts up to \$1200. In this way each MLC student actually receives \$2400! MLC's grant program is set to increase yearly. It is our prayer we continue to match this amount every year.

The Fund distribution amounts this year were able to be increased due to some very generous gifts for which we thank you and praise our Savior. May the Lord continue to bless this fund and these students!

HIGH SCHOOL RECIPIENTS

Dear members of St. Paul's Lutheran Church,

As a freshman in high school, I am very eager to start this new chapter of my life. I can't stop thinking about what lies ahead of me in these next 4 years while I attend Manitowoc Lutheran. As I move to the area, I think about how I will soon have new friends, places to visit, and experiences to enjoy. Your generous gift of money has helped me be able to attend Manitowoc Lutheran High School for my high school years. I thank you for all of your kindness to help me start this new journey of Christian education. I am glad to be able to continue going to school all while learning about Jesus through this Lutheran High School.

With appreciation,
Brody Wieting
Class of 2027

Dear St. Paul's congregation,

This wonderful gift that is being sent to MLHS on my behalf from St. Paul's will help me continue my learning journey as a young Christian. It is very generous. Words cannot express how thankful I am to be able to receive support like this from other Christians. I am very thankful for the opportunity to attend MLHS and for the support I am receiving. In Christ,

Callie Sawall

Dear Faith for the Future Committee,

Thank you very much for the extremely generous money gift going to support my education at Luther Prep. I am so blessed to have people from my home congregation encouraging me in my faith and Christian education. Luther Prep has been a huge blessing in my life. Thank you for all of your support and prayers through my first two years there.

God's blessings,
Elise Mueller

To the congregation of St. Paul's,

Thank you for the sum of money I received to continue my Christian education! Being able to continue my education at Manitowoc Lutheran is important to me, so I'm very grateful to have been gifted this.

God's blessings,
Trinity Curia

Dear members of St. Pauls,

I would like to personally thank the congregation for the generous contribution for my tuition to Manitowoc Lutheran High School. With the help of the congregation I am able to continue growing in my faith through a Christian education. I have had the privilege to go to grade school at St. Paul's for the last 10 years through the congregations generous offerings. Now I am looking forward to attending Manitowoc Lutheran and seeing where God's path will lead me in the future.

God's blessings to you all,
Caleb Walleser

COLLEGE RECIPIENTS

Dear members of St. Paul's,

I would like to thank the members St. Paul's for all of their support during my life. Through grade school, high school, and college I have been constantly supported and encouraged on my path pursuing the public ministry. The faith to the future fund is extremely helpful in this pursuit. It allows me to focus more on my studies to become a Pastor. I can't thank St. Paul's enough for all of the opportunities to help me grow in this pursuit. I am blessed to be a part of such a loving and generous congregation.

In Christ,
Samuel Eickhoff

Dear members of St. Paul's,

I would like to thank you for the generous gift of money given to me through the Faith for the Future fund. This gift is helpful in covering the cost of my education at Martin Luther College. I am so grateful to be able to prepare for the public ministry at MLC, and this wonderful gift is one way that helps my preparation. I am so blessed to be a part of this wonderful congregation, and I thank you for all your past, present, and future prayers and support.
