Friday, June 10	8:00 a.m. - 2:00 p.m. Office Open

- Did You Know?** 2022 marks the 160th anniversary of our St. Paul's congregation! In commemoration of this memorable milestone for our church, we will be sharing interesting facts about our church's history in each week's bulletin until a special anniversary service in fall. In 1926 electricity was installed in the church, schoolhouse, and parsonage for \$5,300. A running water system was also installed in the parsonage. Some years later, a connection was made for the water system to the schoolhouse underneath Hwy 32. Many more fascinating details of St. Paul's history can be found in the church library!
- SAVE THE DATE** - St. Paul's will celebrate its 160th anniversary on September 18th in both Sunday services. We have lined up Rev. Tom Unke (our former pastor) to preach that day. More details to come!
- Sunday Bible Study** - Sunday morning Bible study is entitled "The Seven Letters to the Seven Churches". In the book of Revelation, John received messages from God for seven churches that existed in his day. These were real churches, each facing challenges that threatened their existence and effectiveness. The focus of this study is to understand each church's context of ministry, the challenges faced by that church, and the instructions given to that church. We will be challenged to look for ways the lessons learned from these churches can be applied to St. Paul's. *This study is for the whole family.*
- Sunday Morning Child Care** is offered in the preschool room during Family Bible Hour. Since the summer Bible class is geared for adults all the way down to about 3rd graders, children younger than that can be brought to child care during that time.
- Men's Crafts-Men Bible Study.** Our next study is on June 16th at 6:30 pm.

6. **St. Paul's Lutheran School is excited to be starting** a Robotics program beginning in 2022-2023. We recently received a \$6,800 grant from Petro Center to help us with our initial start-up. Our K-8 Robotics curriculum is supported by VEX Robotics. Students begin by learning the sequence, logic, and problem solving of coding. As they progress through the curriculum, they learn to construct highly functioning robots and learn how to program movements. We are excited to launch this program next year through our FLEX periods. We are looking forward to building on the program as we continue to strengthen our STEM curriculum.
7. **Summer Office Hours** - Starting in June, the office will be open on Wednesdays and Fridays from 8:00a.m. - 2:00 p.m..
8. **LUTHER PREP SUMMER CAMPS** LPS Summer Camps are in FULL planning mode and we hope to see more of your children join us! We offer Day Camps & Overnight Camps for a variety of sports **AND** for the 2nd year in a row our **new** Phoenix Adventure Camp! Go to https://www.lps.wels.net/apps/pages/summer_camps for all the details & sign up info!
9. **June Bonfire:** Come and enjoy some socializing around a nice fire! The Activities Committee is hosting a bonfire 6/20 @ 7:00 p.m. on the parking lot near the playground.
 - *Family Friendly
 - *Simple Snacks Provided (chips, pretzels, s'mores - Feel free to bring something else along!)
 - *Bring Your Own Chair
 - *Bring Your Own Beverage
10. **Pastor Mueller** is on vacation from June 3 through June 12.
11. **The Church Cemetery** currently has a roped off area around a cement slab. Please stay off the cement as there is a large crack in it. There is still water available. Please contact Dennis Eirich with any questions.
12. **Worship Greeters** We are seeking members willing to smile and welcome people before worship services. This is a great opportunity to get to know more of our growing congregation. If interested in more details, please see the sign-up sheet in the member room or speak with Katie Schuenemann.
