It's a way to glorify God and show the gospel. We have two new teachers, Mr. Dais (5-6 and athletic director) and Mrs. Meitner (K). Mrs. Mueller is part-time in the 7-8 grade room. There is a new FLEX period this year on Wednesdays for children to learn varying life skills. We have brand new school-wide science and math curriculums. Upper grades have new history books. Spark PE and Quaver music is being newly utilized and also a new language arts program in the younger grades. MAP and DORA testing takes place for all kids throughout the school year. The TADS website is being used for billing purposes and grading. It will be used for communication regarding practice cancellations, snow days, etc. There is a parent Bible study starting Tuesday, Sept. 24 6:30-7:45, using the book "12 Huge Mistakes Parents can Avoid." Box Tops has a new app that you can scan your receipts into and the school automatically gets money. Career Day is Tuesday morning, Oct. 1. The kids are traveling to different businesses - Sheboygan fire station, Concept Motors, and Bitter Neumann. CHAPERONES NEEDED! Grandparents' Day is Oct. 23. We need volunteers!
