CHRIST LIGHT CONNECTION

So far this year, we have been reminded of God's power and love in creation and his mercy in dealing with rebellious humankind with the promise of a Savior. Yet much of the unbelieving world around us ridicules the entire idea of "creation" and "sin" and a "savior." Enter Noah, a man also ridiculed for his trust in God's promises. Yet in his story, we see again God's good and merciful will, as he spares the human race and preserves his believers.

PARENT TEACHER FRIENDSHIP (PTF)

We will be using a different format for our first PTF gathering of the year. Please make special note of the earlier start time.

Date: Tuesday, September 15th
Time: 6:00pm

Join US!

Details:

- We will be serving dinner first. The menu is brats, hot dogs, carrots and ranch, chips
- We will eat and meet outdoors
- After eating, children may play on the playground. Older students will be available for supervising younger children
- While children are playing, parents will conduct the meeting

SCHOOL PICTURE DAY

School pictures are this Friday! Please be sure to send your picture form along with your child that day. You are also welcome to bring the form in advance this week and have your child's classroom teacher hang on to it until Friday.

School Picture Day
Friday, September 11th.

COMMUNICATION TEST

All St. Paul's parents should have received a communication from TADS last week. If you didn't, please let us know.

We test our system to be sure that we can reach families for invitations, reminders, cancellations or announcements. These communications are often handled through TADS.

As a default, TADS will contact any voicemail, text number, or email that is listed for you. However, you may adjust how TADS notifies you in your personal settings. Or, you may contact the school office and we will make adjustments for you.

Please reach out if you have any questions regarding TADS communications.

FOOD & FELLOWSHIP

St. Paul's Church and School are planning a Food & Fellowship event on Sunday, September 27th. We will have five food trucks on site along with some activities for the kids. Clear your calendar now and plan to join us for this delicious event! Don't forget to invite your friends and neighbors!

HOT LUNCH HELP

We are still in need of hot lunch helpers on Mondays and Fridays to assist with preparing, serving and clean-up. Sign up by calling the office. You can volunteer one day at a time . . . or come every week!

Do you have any extra garden produce that needs a home? If so, consider donating your fresh fruits or vegetables to the hot lunch programs. We could make use of items such as apples, cucumbers, tomatoes or snap peas. Donations can be dropped off at school. Thanks for considering as we work to provide healthy lunches while keeping food costs down.

MINDFUL MOMS

Mindful Moms meets every 2nd and 4th Wednesday of the month at 10:00am. All St. Paul's School family moms are invited to attend the meetings. It is a great way to meet other parents . . . and a great support system for hard working moms! Events included Bible Study and fellowship. Join us this week for our Bible Study!

JANITORIAL JOB OPENING

In order to handle extra cleaning and sanitizing with fall ministry, we are seeking an additional part-time janitor (9-15 hrs. per week). There is flexibility on which days to work. Please direct questions to Principal Marohn or contact the school office for additional information.

EARLY CHILDHOOD REQUESTS

The preschool and kindergarten classes are looking for tricycles, big wheels, and other outside bikes. If you have any new or gently used bikes that you would consider donating, please contact Mrs. Marohn or Mrs. Meitner. Thank you!

BAND AND VIOLIN LESSONS

St. Paul's offers band lessons during the school day through Manitowoc Lutheran High School's band program. Mrs. Schmill, the band instructor, was here last week recruiting in grades 5-8. It's not too late to sign up! If you are interested in band lessons for your child or would like more information, please contact the school office. We will be happy to connect you with Mrs. Schmill.

St. Paul's also offers violin lessons through our private instructor, Mrs. Knutsson. If you are interested in violin lessons for your child or would like more information, please contact the school office.

For students already enrolled, lessons begin this Wednesday, September 9th.

PIANO LESSONS

Is your child interested in piano lessons? Mrs. Phelps would love to have him/her as one of her star pupils!

Lessons are offered in 30 minute time slots on Mondays during the school day, simplifying the family calendar. Students in Kindergarten through 8th grade are eligible.

Please see the link below for more information, including how to contact Mrs. Phelps.

AFTER CARE AND BUSING SIGN-UP

Now that we are in full swing with both busing and aftercare, we will begin to send out sign-up forms each Friday. These sign-ups will be sent out digitally from the office. Let us know if your child will be attending after care during the following week or riding the bus. This helps us with planning and end of day dismissal.

Please note, your child(ren) may use after care any day . . . even if you have not signed up.

SCRIP - KWIK TRIP

It is SCRIP-tember! During the month of September Kwik Trip will be doubling their contributions from 5% to 10% for all Kwik Trip Scrip used. You may stop in the school office and purchase scrip if you are interested!

1ST SEMESTER MISSION OFFERINGS

Our first semester mission offerings are being collected to support Our Savior Lutheran School in Peridot, AZ. This is a part of the Apache Mission work that our synod has been doing for over 125 years!

Fun Fact: Mr. Johnson served at Our Savior in Arizona and Mrs. Johnson regularly substitute taught there.

Mission offerings are collected on Wednesdays. However, the procedures are a bit different without morning worship in the sanctuary. We are asking students to drop off envelopes at the school entrance. There is a jar for envelopes. Parents may also pick up an envelope and make a contribution. Thanks for helping support God's work being done in the Apache mission field!

DID WE FORGET ANYTHING?

Contact the school office with any questions you might have. 565-3780.
